

Orange County Agricultural Commissioner and Sealer of Weights and Measures

July 7, 2025

To Our Valued Stakeholders,

The Orange County Sealer of Weights and Measures is pleased to inform you that, as of July 5, 2025, our new water meter testing bench system is now fully operational. This investment reflects Orange County's commitment to providing reliable and efficient water meter testing services for all our customers. This upgrade is part of the County's ongoing efforts to enhance customer service by enabling faster turnaround times for meter testing and reducing wait times for meter certification.

We sincerely thank everyone for their patience and understanding during this transition to our new water meter testing system. We are also excited to announce that Orange County now has the capability to test water meters ranging in size from 5/8 inch to 2 inches.

The Orange County Sealer of Weights and Measures looks forward to serving our valued stakeholders with greater efficiency. If you have any questions, please do not hesitate to reach out to our submeter team by email ocweightsandmeasures@ocpw.ocgov.com or telephone (714) 955-0100.

Thank You,
