

Orange County Agricultural Commissioner and Sealer of Weights and Measures

PEST CONTROL BUSINESS 2026 REGISTRATION NOTICE

Dear Pest Control Business Operator,

This letter is to inform you that the registration allowing your Pest Control Business to conduct operations in Orange County will expire on December 31, 2025. You **must register prior to performing any pest control activities** in the 2026 calendar year. ***It is unlawful to perform pest control work in Orange County without first registering with the County Agricultural Commissioner.*** Please mail-in or walk-in all completed forms for your registration.

DOCUMENTS REQUIRED FOR REGISTRATION

- ☐ 1. **Completed** Pest Control Business registration form (enclosed). Remember to include the QAL's signature.
- ☐ 2. A copy of your company's Pest Control Business License from the California Department of Pesticide Regulation **with an expiration year of 2026 or later.**
- ☐ 3. A copy of your Qualified Applicator License card with an expiration year in 2026 or later.
- ☐ 4. **\$110.00 registration fee (cash, check, money order, or credit card (online only) payable to: Orange County Treasurer. Do not mail cash.**
- ☐ 5. Completed Pest Control Equipment Registration form (enclosed).

Please mail-in or walk-in your completed registration packet to the address below:

ORANGE COUNTY AGRICULTURAL COMMISSIONER
222 EAST BRISTOL LANE
ORANGE, CA 92865-2714

If you need a **Restricted Materials Permit**, do the following in addition to the above:

- Call (714) 955-0100 to make an appointment with an inspector and receive permit application forms.
- Complete and submit the Restricted Materials Permit Application.
- If you are headquartered outside of Orange County, submit a copy of your 2025 Restricted Materials Permit issued by your home county.
- **Restricted Material Permits will not be issued electronically or by mail.**

Notice of Recent Regulatory Changes for Pest Control Businesses

10/1/2025

The Department of Pesticide Regulation (DPR) has updated the Pesticide Safety Information Series (PSIS) leaflets

DPR has released the **2025 revised PSIS leaflets (N-Series and A-Series)**, reflecting updates to minimum age requirements, handler training, and hazard communication for non-agricultural and agricultural settings pesticide use.

Please discard old versions and complete the updated version. The revised PSIS leaflets, dated 2025, are now the official versions. Current leaflets are available in **English, Spanish, Punjabi, and Hmong** and can be found at <https://www.cdpr.ca.gov/worker-health-and-safety/education-series/>.

If any employees handle pesticides, updating the PSIS is required in order to comply with Title 3 of the California Code of Regulations sections:

- **6723. Hazard Communication for Pesticide Handlers.**
- **6724. Handler Training.**
- **6739. Respiratory Protection.**
 - **(b) Voluntary Respirator Provision.**

Applications to Wildland Areas

DPR licensing updates have included non-crop areas, and wildlands specifically, in Category D, Plant Agriculture. The category of Plant Agriculture (Category D) includes farms, rangelands, pastures and “non-crop agricultural areas.” Wildlands are specifically mentioned in non-crop agricultural areas. Any pesticide application to a wildland area requires supervision by a person holding a QAL or QAC with Category D.

If you need further assistance, please contact our office at (714) 955-0100.
